

# LAB'INSIGHT

Open the door of innovation

## DETAILED PROGRAM

**SURFACE TREATMENTS  
AND SOLAR ENERGY**

Focus on the Photovoltaic  
Electricity Sector

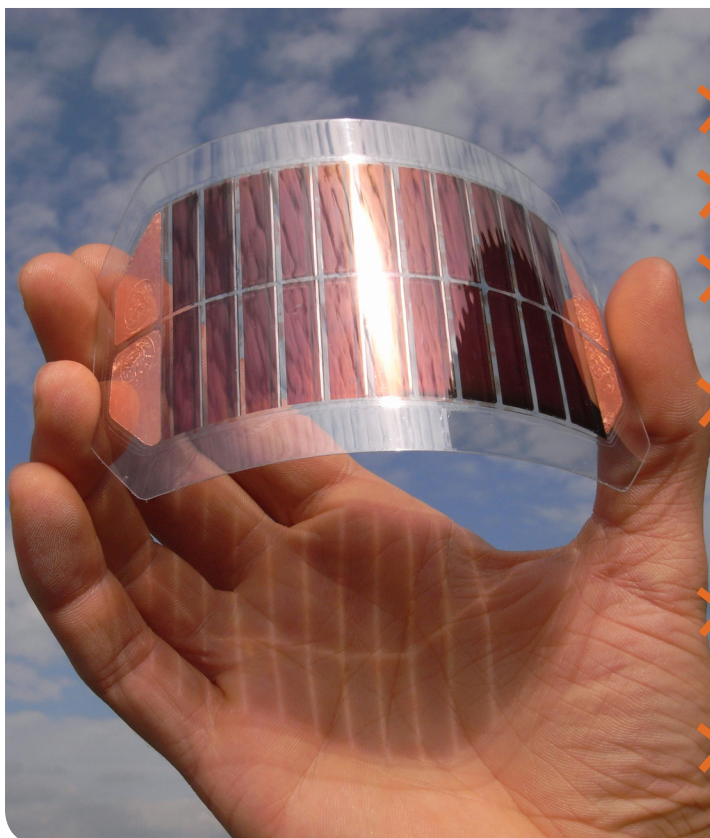

Nov. 21<sup>ST</sup> 2013  
2.30 PM

BRUSSELS

# SURFACE TREATMENTS & SOLAR ENERGY

Focus on the Photovoltaic Electricity Sector

Nov. 21<sup>ST</sup> 2013, Brussels

- > 2.30 pm **Welcome - coffee & pastries**
- > 2.45 pm **Opening address**
- > 3.00 pm **Labs presentation**  
videos / skills / equipments
- > 4.30 pm **Case study from the Industry**  
Daniel DECROUPET (AGC)  
**Presentation by Cluster Tweed**  
Pôle Mecatech
- > 5.00 pm B2B meetings **parallel to visits to the CHANI laboratory (ULB)**
- > 6.00 pm **Networking cocktail**

## PARTICIPATING LABORATORIES :

---

Institute of Condensed Matter and Nanosciences (IMCN) - Bio & Soft Matter (BSMA) - UCL

---

Physics of matter and radiation(PMR) /  
Laboratory of analysis by nuclear reaction (LARN) - UNamur

---

Analytical Chemistry and Interfacial Chemistry (CHANI) - ULB

---

Solid State Physics – Interfaces and Nanostructures (SPIN) and Group of Research in Energy and ENvironment from MATerials (GREENMAT) - ULg

---

Laboratory for Chemistry of Novel Materials (SCMN) - UMONS

---

# ACCESS AND TRANSPORTATION

Campus de la Plaine, Bâtiment N-O, Auditoire Solvay (5e niveau)

Boulevard du Triomphe, CP260 1050 Ixelles (Brussels)

## BY CAR

## BY METRO

The closest metro station is "Delta", line

## BY BUS

Stop  
"Triomphe"

Stop  
"Fraiteur"

Stop  
"Delta"
